DETAILED ACTION

Claim Objections

Claim 72 is objected to because of the following informalities: the dependency of claim 72 is improper. Appropriate correction is required.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1, 20, 22, 74 are rejected under 35 U.S.C. 102(b) as being anticipated by Rudy, Jr. et al (US 5,128,835).

Rudy Jr. et al disclose a housing including first and second members or a base and a lid (158, 150), a conductive bridge made of conductive paste (filled conductive adhesive) or means for electrically and structurally coupling the first and second members together (col. 10, lines 60-64).

Allowable Subject Matter

Claims 5-9, 12-16, 18, 19, 24-31, 58, 63-71, 73 are allowed.

Claim 23 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
